

RED WING STYLE #2564 MEN'S SUPERSOLE® X 9-INCH PULL-ON BOOT

EH ELECTRICAL HAZARD

PR PUNCTURE RESISTANT

ST STEEL TOE

SR SLIP RESISTANT

Made in the USA, these easy on, easy off work boots build on classic SuperSole® performance to provide even more durability and comfort to the heaviest-duty work environments. They feature a low-density inner sole that provides cushioned comfort, while the slip-resistant rubber outer sole is puncture resistant and delivers best-in-class protection against chemicals, heat and abrasion. Combined with a steel safety toe, electrical hazard protection and full-grain leather upper that extends up the calf, these boots are ideal for work in the oil and gas, construction, manufacturing, and railroad industries.

ABOUT THE 2564

Name SuperSole® X
