

FP13 - Portwest 2 Point Harness

Collection: Harnesses

Range: Fall Protection

Materials: Polyester Webbing, Alloy Steel, Heat Treated

Product information

This full body harness features front and back D-rings and is widely used in the construction industry. It is light weight and easy to use.

EN 361 ()

Harnesses

Portwest harnesses are required to ensure protection when working at height. Our range of harnesses offer different connection points that can be used in a variety of job functions such as fall arrest, work positioning, suspension and rescue.

Fall Protection

Fall Protection is put in place to prevent the risks associated with falling from heights, reducing impact force, restricting obstacle/ground collision and restricting users from fall hazard areas. Portwest offer a full range of fall protection products for working at height.
