

RED WING STYLE #3090 MEN'S EXCELON OXFORD

EH ELECTRICAL HAZARD

NT NON-METALLIC TOE

PR PUNCTURE RESISTANT

SR SLIP RESISTANT

SRO SLIP RESISTANT OILY WET

Whether you're in a meeting, overseeing a jobsite or doing light-duty work, this flexible slip-on work shoe offers the protection, comfort and professional-looking style you need. It includes safety toe, puncture resistance and electrical hazard protection to keep you safe in a variety of settings. A lightweight design combines cushioned insoles and extra support for all-day comfort, while the non-marking outsole provides best-in-class slip, oil and chemical resistance. This is an ideal choice for managers and other leaders in the trades who need essential safety features while maintaining a polished, professional look throughout the day.
