

RED WING STYLE #2545 MEN'S 6-INCH BOOT

EH ELECTRICAL HAZARD

PR PUNCTURE RESISTANT

ST STEEL TOE

SR SLIP RESISTANT

SRO SLIP RESISTANT OILY WET

Made in the USA, these work boots build upon classic SuperSole performance to provide even more durability and comfort in the heaviest-duty work environments. They feature a low-density inner sole that provides cushioned comfort, while the tough rubber outer sole delivers best-in-class slip resistance and protection against chemicals, heat and abrasion. Combined with a steel safety toe, built-in electrical hazard protection and full-grain oiled and waxed leather upper, these boots are ideal for work in the oil and gas, construction, manufacturing and railroad industries.
